**TRUE HAPPY SUCCESSFULL LIFE**

**ABU ABD AL-RAHMAN**

*“You will find the answers to many of  
our life's baffling and confusing  
questions after reading this message”*

**Imagine** receiving a visa for a specific assignment in a foreign country, with the expectation of completing as many required tasks as possible. You may be summoned back to your homeland without prior notice to evaluate your performance and be held accountable. The reward for these tasks depends on your efficiency and adherence to the company's system.

### **Did you understand what I meant by this brief introduction?**

In sum, this is the story of your life, my life, and the life of everyone. We came to this life for a specific mission, for an unknown period - it may shorten or may lengthen, no one knows - and after that, we will be called for an account and paid the full reward. It is clear for those who understand, and ambiguous for those who are lost and heedless.

Would any sane person accept that the director of this company would send an employee without providing specific instructions for the required tasks? Of course not. So, what about this vast and magnificent universe and its very complicated and sophisticated creatures, especially mankind?

### **This leads us to the following crucial question: Does this vast, splendid universe and its sophisticated creatures have a creator?**

If it has a Creator who is just, wise, knowledgeable, merciful, and kind to mankind, is it possible to create us in vain - meaninglessly - without a comprehensive Guidance book for our lives to regulate and govern different aspects of our life? This Genuine Guidance Book should answer our life's baffling and confusing questions, including:

- 1) **The purpose of our existence (i.e., why were we created?).**
- 2) **How we got to this universe (i.e., how were we created?)**
- 3) **What is our inevitable destiny?**
- 4) **Most importantly, we need to answer these crucial questions logically and rationally, not emotionally and feelingly.**

*Here, let me ask you a quick question!*

### **Have you ever sat with yourself and contemplated these questions? And what is required to answer them? In other words, how can a person find satisfactory, rational, unambiguous answers to these questions?**

Don't you agree with me that no one can find unequivocal, undoubtable answers unless they have genuine divine texts and messages from the Creator of this great universe?

### **So, what are the criteria and standards that should be fulfilled to say, 'This is a Genuine Divine Guidance Book for the salvation of humanity'? Otherwise, we are following a mirage, i.e., a delusion:**

- 1) *It should be a comprehensive instructional guide that governs and regulates all aspects of life fairly and justly, including social, political, economic, judicial, educational systems, family life, and other aspects.*
- 2) *Addressing the mind, soul, heart, and innate nature.*
- 3) *Being accessible to all people regardless of their ethnicities, races, backgrounds, and genders.*
- 4) *Being guarded and preserved from corruption and alteration throughout the ages.*
- 5) *Being free from any distortions, fabrications, deficiencies, and contradictions.*
- 6) *Containing evidence and definitive unequivocal unambiguous facts that this guidance book is from the creator of the universe.*
- 7) *Including accounts of those who preceded us and predictions of future events and upheavals.*
- 8) *Being prophesied by predecessor prophets and messengers.*

The question here is: Are there any revealed divine texts in our present time that are free from fabrications, deficiencies, alterations, or distortions? The answer to this question is crucial, as it raises existential questions about the nature of our existence and the possibility of a Creator.

If the answer is **NO**, then this raises questions about the justice of a Creator who would create humanity and then leave them without guidance. Alternatively, it may suggest that humanity was created without a Creator.

If the answer is **YES**, then the following question becomes: where is this guidance book that comprises comprehensive divine texts for the good of this worldly life and the hereafter? This is a question that has puzzled and challenged humanity for centuries.

I do not like to impose my opinion, as many do, but I invite you to contemplate and search for the truth. Is there a guidance book that meets these criteria? A book in which not a single word has been changed, nor a single letter, since it was compiled with the testimony of fair theologians and historians decades ago?

**Unlike other books that have undergone many distortions, fabrications, and alterations in various versions, this book exists in only one version worldwide.** The only book that the Creator of this universe has pledged to guard and preserve as it is the final and eternal message for all nations until the Hour of Judgment. It is not limited to a nation or a specific period like other books. It is the only book that has been preserved with a continuous chain of attribution ensuring no disconnection between narrators.

Besides the continuous memorization and recitation of its verses, its texts have been meticulously preserved through accurate and precise written records. If you visit any country in the world, you will find millions of people—young, old, male, and female—who have flawlessly and uniformly memorized this final revealed guidance book, reciting it with the same words and letters by heart without any differences.

Whoever recites it in Europe or America is like the one who recites it in Africa and Asia, with no difference at all. Although there is an explanation of the meanings in various languages so that it is easier to understand its meanings for non-speakers of its original language (Arabic), which is one of the most informative and eloquent languages in the world.

**The second issue is that it is considered an eternal miracle for mankind,** as it contains irrefutable and definitive proofs and evidence that it was revealed by the Creator of this universe and is not only narrating miracles and signs that happened to the prophets or messengers before; those who believed in them believed and those who disbelieved in them disbelieved. As for us, we did not witness them, nor did we see them with our eyes.

**This book contains clear scientific miracles, which are not just theories that can be accepted or refused.** For instance, the stages of embryo formation in the mother's womb, the creation of the universe, and facts related to mountains, seas, creatures, and other scientific phenomena that would have been impossible for an illiterate man living in the desert over 1400 years ago to know. For more information, I recommend reading the book **"A Brief Illustrated Guide to Understanding Islam"**. In addition to its rhetorical miracle that addresses the mind, the heart, the soul, and the innate nature, its legislative miracle to achieve justice, security, safety, freedom, equality, dignity and guidance for all humanity. This book of guidance that has been revealed to the last and final messenger **Prophet Muhammad** (peace and blessing be upon him), the successor of **Jesus, the Great Prophet** (peace and blessing be upon them) , as stated in Quran/Maryam 19:30, Bible/ Luke 24:19, John 17:3. **NOT as God**, as stated in Quran/Al-Ikhlâs 112:1-4, Quran/ Al-Imran 3:59, Bible/Mark 12:29, Bible/Matthew 19:17, Bible/Mark 10:18, Bible/Luke 18:19, Bible/John 20:17.

**Prophet Muhammad** (peace and blessing be upon him) that brought misguided people and nations (after the serious deviation that has occurred after Jesus, especially after the Council of Nicaea in 325 AD ) living on the margins of life out of darkness into light. Brought them out of the heedlessness, loss, and delusion state to the awareness and knowledge state. The book of justice, mercy, and equality between all people, regardless of their ethnicities, race, colors, genders, and nationalities. It has brought together the black and white, i.e., the Arab, the Asian, the African, the European, and all people together to establish by them the greatest humanitarian civilization in history.

For more details, I recommend reading: **{The 100: A Ranking of the Most Influential Persons in History by Michael H. Hart}, {The Sealed Nectar by Safiur Rahman Mubarakpuri } or any other authentic biography book of the Noble Prophet Muhammad, peace and blessing upon him}.**

: يقول الله تبارك و تعالی

وَإِذَا قِيلَ لَهُمْ اتَّبِعُوا مَا أَنْزَلَ اللَّهُ قَالُوا بَلْ نَتَّبِعُ مَا أَلْفَيْنَا عَلَيْهِ ءِآبَاءَنَا أَوْ لَوْ كَانَ ءِآبَاؤُهُمْ لَا يَعْقِلُونَ شَيْئًا وَلَا يَهْتَدُونَ ﴿170﴾ سورة البقرة

Almighty God says:

**"And when it is said to them, "Follow what Allah - Almighty God - has revealed," they say, "Rather, we will follow that which we found our fathers doing." Even though their fathers understood nothing, nor were they guided?"** (Surah al-Baqarah 2:170).

**I appeal to you to reread my previous message with a clear and open mind.**

: يقول الله تبارك و تعالی

أَفَلَا يَتَدَبَّرُونَ الْقُرْآنَ وَلَوْ كَانَ مِنْ عِنْدِ غَيْرِ اللَّهِ لَوَجَدُوا فِيهِ اخْتِلَافًا كَثِيرًا ﴿82﴾ سورة النساء

Almighty God says:

**"Will they not then ponder on the Qur'an? If it had been from other than Allah (Almighty God), they would have found therein many contradictions"** (Surah an-Nisa' 4:82).

***My dear, this is actually a serious matter that necessitates pausing and reflecting on our purpose and inevitable destiny. How will we logically and rationally answer these crucial questions? We must do so before time runs out (Our life visa expires) and we can no longer correct our path.***

يقول الله تبارك و تعالی: .. "فَمَنْ اتَّبَعَ هُدَايَ فَلَا يَضِلُّ وَلَا يَشْقَى ﴿123﴾ وَمَنْ أَعْرَضَ عَن ذِكْرِي فَإِنَّ لَهُ مَعِيشَةً ضَنْكًا وَنَحْشُرُهُ يَوْمَ الْقِيَامَةِ أَعْمَى ﴿124﴾ قَالَ رَبِّ لِمَ حَشَرْتَنِي أَعْمَى وَقَدْ كُنْتُ بَصِيرًا ﴿125﴾ قَالَ كَذَلِكَ أَتَتْكَ ءِآيَاتُنَا فَنَسِيتَهَا وَكَذَلِكَ الْيَوْمَ تُنسى ﴿126﴾" سورة طه

Almighty God says:

*(123)...whoever follows My guidance will neither go astray [in the worldly life] nor suffer [in the Hereafter]. (124) And whoever turns away from My remembrance - indeed, he will have a constricted depressed life, and We will gather him on the Day of Resurrection blind." (125) He will say, "My Lord, why have you raised me blind while I was [once] seeing?" (126) [Allah ] will say, "Thus did Our signs come to you, but you forgot them; and thus will you be forgotten this Day "* (Surah Taa- Haa 20:123-126).

*From the bottom of my heart, I wish you all the best in this worldly life and in the hereafter!"*

*I would be more than happy to receive any comments or inquiries from you.*

Warmest regards,

**ABU ABD AL-RAHMAN**
